Design Team Offer Letter

PRIVATE AND CONFIDENTIAL

Role: Product Designer
Prepared by: Akshat Mishra
[Date]
[Candidate name]

Dear [Candidate first name],

Welcome to First Pixel Studio

We are pleased to offer you the position of Product Designer, reporting to [Manager name]. Your anticipated start date is [Start date], and your primary work location will be [Location]. We look forward to the care and perspective you will bring, from early concepts to the final interaction.

Compensation and benefits

Your base compensation will be [Amount] per [Pay period], payable in accordance with the company's regular payroll practices. Details of any applicable bonus, equity, benefits, and time-off programs will be provided separately for your review.

Next steps

Please review this offer and the accompanying employment materials. Any conditions of the offer, employment terms, required policies, and applicable local provisions must be completed and reviewed before a final offer is issued.

Acceptance

To indicate your acceptance, please sign and return this letter by [Response date]. If you have questions, contact [People team contact].

Sincerely,
[Hiring manager name]
